Summer Reading List 2023

Second Grade Entering Third Grade

Below are the recommended summer reading choices. We know that your child may want you to read some of these books to him/her. Reading to a child is special, and highly recommended.

Students entering third grade should be practicing their reading skills throughout the summer. They may do this through reading books from the provided list or other books or forms of text that interest them. As well, students should be listening to adults read to help improve these skills.

Please read a total of THREE books.

Picture Books (choose any 2):

Nana Upstairs, Nana Downstairs by Tomie dePaola
